WEST PARK HEALTHCARE CENTRE

JOB POSTING – POSTDOCTORAL FELLOW

West Park Healthcare Centre helps patients get their lives back by providing specialized rehabilitative and complex care after a life-altering illness or injury such as lung disease, amputation, stroke, and traumatic musculoskeletal injuries. Researchers at West Park Healthcare Centre focus on clinically relevant research to advance rehabilitation practice and ultimately improve the health and quality of life of patients and families.

Description of duties:

We are seeking a Post-doctoral Fellow to join our research team. The Post-doctoral Fellow will mainly work on a study to co-design a community-based physical activity intervention for people with lower limb loss. The Post-doctoral Fellow will have opportunities to contribute to other research projects in the field of limb loss and rehabilitation. The ideal candidate will have a strong qualitative methods background and experience with mixed-methods. The candidate will have the opportunity to build their publication portfolio and collaborate with colleagues across disciplines and research/hospital institutions. The Post-doctoral Fellow will work under the mentorship of Dr. Crystal MacKay, Scientist, West Park Healthcare Centre.

Salary: $50,000-$55,000 per annum

Required qualifications:

The successful candidate must have a PhD in a relevant field (e.g., rehabilitation sciences, health services and policy, psychology). The candidate should have expertise in qualitative methods, excellent communication skills and strong organizational skills. Experience with co-creation of health interventions and mixed-methods research are considered an asset. The candidate must have obtained their PhD within 5 years of the start date.

Application instructions

All individuals interested in this position must submit a cover letter, curriculum vitae and 1 sample publication to crystal.mackay@westpark.org by the closing date. We thank you in advance for your interest. Only those candidates selected for an interview will be contacted.

Closing date: November 11, 2022

Supervisor: Dr. Crystal MacKay, PT, PhD

Term: 18 months

FTE: 1.0
